Medical Lab Tech, A.S. FOR CATALOG YEAR 2019-2020

At the University of Maine at Presque Isle, our goal is to ensure you can complete your degree on time and on budget. In addition to a wide range of academic and student support efforts, we've set up this pathway, or map, for you; if you follow this recommended sequence, you will complete your Associate's degree in two years. Together, we can help you finish on time and turn your degree into a great career.

Please note that this is a scheduling aid, not a guarantee of specific course offerings each semester. Course availability varies depending on the date of enrollment, so please be sure to consult the appropriate catalog for official degree/program requirements and seek guidance regularly from your faculty and professional academic advisors.
