Edwards here are telegraphic good
fact the average is back now my people have begun
hoping about concerts I would all like to
the going and games very well and out you
see you and James very perfectly comes on
how long and long there

and how you get a long there
we should like for you to write to us a little
about the timber which we understand
the English had taken by force of arms
and carried down the river

There is in good demand for arms
and ordnance is in good demand

Very well
Edwards

Love
to
you

My friends want to see you
here of my foolish story

I am yours
affectionate brother
