Dr Sir

It seems that the Soci^s obtained
a warrant for a meeting & organization in Alter
III. My advice to you is to stay in the township
till after election in other words make that your
residence. it is important that every nerve should
be excited, especially to secure our assessors is
very important. It strikes me that Joseph Block will
run best for moderator. I think we may depend upon
him. About Spain any pains for your sake. Mr Angerson
expects that you & Capt Wing will go in to the
~~town~~ measure but and foremost

I shall be in next week.
