Lincolnville - Sept 1st 1845
Dear Brother and Sister

I take this opportunity
to acknowledge the receipt of your letter
dated March 2nd. - in which I find a
request for Phebe to come and live with
you - or else some other one of our sisters
to which I must say that Phebe will not
be able to come - as Father and Mother
thinks she is hardly capable of undertaking
so long a journey alone. - But
Nancy says she will come and live
with you and Frances, in consequence
that you can send money for her
conveyance. I saw Mr Coleman yesterday
as you requested, he said he had not sent
that money, But he said he would
pay it next Monday, which is our town
meeting, I think he will pay it.
Nancy will go without fail no mistake
She says she will come as soon as
you can send the money. She wants
you to write in particular how she
shall get from Shoultore to Fort
Fairfield where you live
