Plantation Letter of July 17<sup>th</sup> 1846  
Davis Duggan Esq  
Treasurer of Adams County

7/17/40  
2/2

Sir please to inform me if there be any portion of the school fund in the County Treasury accruing to this Plantation, and if so, what amount, and when and how it may be received. The Plantation has never received any portion of the aforesaid fund; and if there be any part of the place (and there certainly ought to be) the inhabitants are desirous of obtaining it that they may apply it to its legitimate object. The desired information is respectfully requested.
