Mr. Springfield

April 10-1867

Friend Sutherland

Your note is as per contract which will make the duties amount to \$91,000 the 6 Boston

do not tell your exactly what the duties in your view for the fact you did not send me the side of it. But I will assume it is the common view in that they was for making tin ware. It is it was in 1864 for 115 per cent on the cost - not having the weight of 10 cent per cent. But I have given you the principle to call for

If you take Provision Bibles you must make two per cent discount - we was to get along with it - But say always now too. I have been sitting with you - I can't make my duties come out right - I certainly have not made one dollar of more that I have and for duties & get 2% in debt - Now how do you stand? I have returned all that has been sent to me & I am sorry I have not been so particular in keeping account of what I have made by way of duties for you & should I presume you will tell me just what it is -

Will you do me the honor to say to Mr. Sturges that when he wants satisfaction for duties that he must go down & get them - either by bringing statement from the
