My Dear Sir

Yours of March 4th
was received yesterday, where
it has been all the time is more
than I can tell,

I'm rejoiced to
your petition that affair will
come under the Resolves in
relation to Boundary claims
I could do nothing different
I expect to get the Resolves
ordering the sale of the same by
the Agent at Auction, recinded
so that the whole matter
will rest in a good shape

I expect to get them
Resolved through, and if so

I see no reason why all the letters will not be quieted. I'm regard to bounty land, I expect to get that business all fixed before I come home, and I shall either sell it or go out & settle. I will look after your land business when the old clerk comes over to the office, I expect you have had a hard time this winter on account of snow, but it is no use to fret,

I shall leave here somewhere about the 7th 8th or 10 of April, I shall stick & till all our ^{two} business is through, I expect to do something for mutual interest before I leave.

We had two feet snow here at one storm last week

it now looks like dead of the winter,

I am sick of this place and have been all winter,

My impression is that it will be a long day before we shall have such a winter for business, at any rate I guess you ~~think~~ ^{think} will do

My respects to Mrs. Picheay
Yours truly
