My Dear Sir,

I have anxiously waited to hear from
or Mr. Stammers or some one in your name. I will
regard the \$200 to be raised for school - for
I was in hopes it would be raised in season to
have some State school - I don't know that I
can say any more ~~that~~ respects the hopes of
hearing from you immediately on the subject.
If you do not raise the money let me know
the reason for I shall wish to report to the
Legislature - Give my respects to Mr. Stammers
Mr. Merrill and Esg. Briggs -

Yours very truly
