

Sept. 15, 1857

not seem her get but hope to soon
 she says she thinks she shall have
 to give up her visit for this fall
 I am very sorry to disappoint you, for
 it is a great disappointment to us too
 all things folks are all well and
 so are the fatherly folks with all
 send our best respects to you
 and yours, writes as often as
 you care, so good night
 from your affectionate
 fatherly folks
 A. Richardson

For the folks
 A. Richardson
