

The undersigned, referee in the case of Washington Long & Joseph Drew of Fort Fairfield vs Francis Brook & Jarvis Brook of Van Buren, having duly notified the parties, and heard their several pleas, proofs and allegations, and duly considered the same, do award and determine, that the said Long & Drew do recover of the said Francis & Jarvis Brook the sum of two hundred & fourteen dollars & seventy nine cents, (\$214⁷⁹/₁₀₀), and cost of reference taxed at three dollars and other costs to be taxed by the Court.

Francis Cyr & Co
 To Long & Drew Dr
 To Goods (w Long & Drew) \$ 399,07
 Goods for Johnston & Richard 188,45
 \$ 587,52

Contra Cr
 By Amt Due Francis Cyr for work for me 16,71
 " Amt Due Francis Cyr for work for me 23,24
 " Yarding 32 Sticks Timber 48 tons @ 50 per ton 24,00
 " Hauling 29 tons Lamerack \$ 8 Miles } 50,03
 " Hauling 107 Sticks pine timber 55 feet per stick } 258,75
 making 150 tons - \$ 8 Miles @ 50 per ton } \$ 572,73
 Due \$ 214,79

I think that 50 lb per stick of pine is all that it would measure, but that it might possibly contain 55 lb per stick.
 The average distance I believe would be less, rather than more than 8 miles.

for Duke says 120 sticks pine 30 sticks Lamerack
 Chas Johnston says 97 sticks pine 28 sticks Lamerack
