Lincalville Sept. 25 - 1859

Thore We received your letter
to day, glad to hear you were all well,
Myself, wife, and Thomas, are all the
family we have, or have had this summer,
five months ^{long} longer since Dorcas
left home, don't ^{know} if he be dead or alive
myself and wife very feeble, have you
any farm, please tell me,
The Election has gone well,
Hope it will go Thomas next year.

Write this that you might know
I had got your letter, I am aware that
I have not answered your July letter,
It has been very sickly among us and
around this summer Mary Anne gone, we
must all follow
