Dear Sir:

When at the Land Office I requested the
Agent to put your name down for the Legacy
to \$4000 the appropriation of 300 \$ to be expended
on the West Branch Road. And I wrote the
Land Agent the last week that now was
the best time to repair said Road and
I had the committee appointed you as the
agent to for the same, as I thought it
would be for the interest of the
State to so arrange it - And as soon
as I hear any thing more about
it will inform you -

Very Respectfully
O. Page
