you ~~write~~ said that
 I ought to have my burnt
 hand cleared up I know I
 ought I wrote to Dan's
 Farrell some time ago
 telling him I asked to do
 with it but I have not
 heard from him as yet
 I cannot think of a week
 to write this time but
 I will try and write more
 next time.

Yours of the 19th is at hand and I will proceed to answer it once weather gets and are likely to be for 4 or 5 weeks more. There is about 1000 more than we want, 200 more to fill out.

The height there is about 700 ft. The east of the river and some will be here within 8 or 10 days. The men are all recruited; and most of the horses brought on company will have their milk this week. There are about 2000 milk cows.
