Dear Jonathan

I seat myself to write you a
few lines, to let you know that I
have not forgotten you; that I am
well and hope these few lines
will find you and yours the same.

I have not heard from you for some
time, but would like to hear from
you. I want you to write as soon as you
get this, and let me know, if

there is going to be any thing done
in the lumber business, this winter
in your section of the country, if
there is, I would like to have you
look me up & check up what would
not be a much trouble, for I
have had some idea of coming up
that way this winter, if I can.

your wife and children
and take the same to your
relatives if you wish. Best
wishes to all.
