Loyal Lumber Office  
Providence R.I. Oct 12 1863

A. S. Richards Esq  
Dear Sir

Yours of 5th inst was received making \$1.00 which I send to you for "Lumber". I think you for your kind offices and kind wishes. I am not sure when I send my paper and who will take it I send you to Violet Knott to

W. C. Humm and Charles Farnell  
James Reyer, Sen. Mrs. Mrs Lewis and

Yours of them as my friends when you think might be inclined to take it and will write me I will send to them it is but little as to ask men if they will take it before they know what it is

You will remember my husband which you will be pleased by they make what I prefer to do to get the lumber into some of your French families. Will you write me what you think of the possibility of the plan if the means could be raised

or in other words how many French families do you know of whom some members of them can read English who could be inclined to receive the lumber for

one year as a gift. You know of  
some things that might be worth it. Be  
sure to get the things from the  
they would not be in the hands of  
them & you are at liberty to do them

Please write me what you  
think about it. What are my things  
can be done in that way  
I think the things in your  
and we can see the things  
you and a smaller holder for  
I think some things might be done  
with the outside of the house

Please send me any names of  
people you know who are  
as mentioned to you and you  
my father and I will be  
will receive it
