

Dec 21, 1883

I have in some time ~~been~~ taking care  
 of Nancy she has got another little girl  
 five or six days old. Nancy has got quite some  
 she calls it the baby Anne & Abigail  
 it's two months. During talk of coming  
 home in August they winter to mass  
 visit. I wrote him that we expected you  
 to help down this winter he said he would  
 like to come down when you came down so  
 he could see you and we could see him  
 I hope that will be the case

Always as all it you to come down  
 don't say much and I hope you will if you  
 can any way. I should be very happy to see  
 all of you if you can. Oh I wish you would  
 tell out wife how and more when this way  
 you we could see you all once in a while  
 you know if you think best I think you  
 could get in some kind of business in  
 some of the adjoining villages or cities  
 Miss Mary's health is not very good  
 the rest of the family are well as usual  
 Edward & Catherine & family are well

for I. she has visited and gone  
 to the sea, and in August  
 I should like write more out connect  
 for church as going home, and  
 I want you to take this letter and  
 put it in the office. I like to hear  
 during when you are down say  
 so she can know where to come  
 do it with the first about March as you  
 can reach there. I have to write  
 it so fast I cannot half write it  
 I heard that he was married. This  
 was a man who said he was from  
 the district who said he was acquainted  
 with the man who was married. but I  
 think it was all false please tell me  
 if she has got a letter up there, and  
 if so tell me what it says. I received a letter  
 from her two weeks ago she said she was  
 coming home as soon as she was  
 down some fine my love to  
 Sister & and Mr. & Mrs. with the rest  
 where in the time and I will do better next time

Sanbornville Dec 21, 63.

Dear Mother Alice,

Get in with Father

request that I am writing to you

Walter is sick, he has got a very bad cold

which has settled on his lungs, rendering

the lungs and throat very painful, he only

can say a few words, he has had a

cold & cough for several weeks, but he has

kept at work very hard, at the same time

with a week or so, when he took a rather bad

cold which will keep him in bed for

yet, to the best of our knowledge of the

matter, but he cannot do any work

at all, but the neighbors are kind

Therese's mother is well, he has just come up

to help some fire wood & also the chrys,

hope for some project, turn over it for please,
