Friend Richards

I received your letter of the 20 ult. and went to see the agent, George Harmon is agent in the Bishop district he thinks Mary can have the school for two dollars per week. Says it was the vote of the district for the teacher to board round. She probably will not have to go to many different places, as it has always been the custom in this district, with those who could not conveniently board to pay some neighbors and get the teacher boarded with them the school is to commence the first Monday in June. if she concludes to take

it please let us know
as soon as convenient
respectfully yours
