came home with the girls, and
wondered at a visit, for we are
anxious to see you again; dear mother
I often think, that if you lived where
there were better facilities ^{to meet} for coming
I should see you quite often, but
as it is I cannot see you unless
you come here, I wish you could
sell out and move this way
so that we could see you
once a year at least - But I
must close, write soon, write
all the news - and love to all
from your affectionate sister, E. P. Jordan.

Dear Brother

Having an opportunity I thought
I would write you a line or two being that
Annah has been writing to you

time & I hope these few lines will
find you & your family all well

I am in to fishing this season
the same as usual I have been
out twice this spring we done

his furlough extended he
has got a bad looking hand

Dear Brothers & Sister,

Having a few leisure moments, I thought, I would improve the same in writing you a few lines in answer to your kind letter which came safe to hand in due time, I was very glad to hear from you, to learn that you were all well - we are much pleased to learn that Mary, if coming to stop with us a while, if life and health permit, and I hope, and trust, that you & she, will ever have cause to regret it - I hope that you & both, if you will
