Friend Richards

Dear Sir

James Regent's bill for the  
travel is \$3,80, and he is owing for  
the Prof's from June 26<sup>th</sup> 1862,

If he will send ten Dollars  
to you in occasion for you to send it  
to me by the first of December next  
I will return to you his receipt for  
the Herald, and a receipt for the  
Prof's to Dec<sup>r</sup> 19/64, then if he wishes  
the Prof's stopped you must write so  
to me, and perhaps you will send  
the two Dollars, and have a receipt  
for five Dollars returned,

yours truly, not forgetting  
kind favors,

George Rich Dwyer
