The doctor against Conolly  
can't see them the same  
expect. He pretends that we  
must pay as they bring in  
the goods.  
I can't say when of the  
Pattis illness.  
Very Yours

Mr. Peck's

Stands,

For Decem-  
ber I sent Mr. Butler \$3000 )  
and this month \$250 - (Mud's  
\$550 stands. This clears the  
Mountings and all other  
claims as I have the in-  
formation from your letter.  
My opinion was that the  
Mountings should transfer  
to you here instead of there  
if they have been in service  
in a few days since you  
a Bill Clear. It can be  
you can get the return be-  
lieve in Peck's. I would  
like, P. to send me your  
receipts in full when  
I will also forward you,
