

June 21, 1866

arrangement can be  
made.

I shall not be able to  
go to Bangor this week as  
I had planned - I have  
a lame side and am  
at present unable to  
travel.

Mr. Patten raised his new  
building yesterday -

it is very large and  
if finished according to  
the plan will be a  
fine building - It will

cost a large sum -

Nothing new here

With kind regards

W. W. Weston

feel in hopes that an
