Dear Sir

I have been prevented on my
and another from giving you the
if it is for a pleasure in detail with
within a day or so, but hope
correct it through carefully and wish
we see the deed so well for.

I am willing had to
bring up the returned claims, and
in order to facilitate obtaining hearing
the Council, to make such without
being subjected to the process of going
before them in such case, and would
take occasion to say that your effort
according to the tenor of your letter
are appreciated as doing what can
be done for the matter and shall
be glad to hear you continue as heretofore

Very truly yours
