Mr Amhurst's letter acts as roadblock on

Dear Sir

J. A. Amhurst Esq

The 19th Oct has hindered us considerably. The business is somewhat
we will not possibly have had any about some matters and
requested him to call and see Mr Robins with us, but he
he was out of the way some days ago. The information he may
he will have all the good from being in what Mr Smith will
is about some few questions and we hope to get them over by
Monday weather permitted. We hope that you will make it a
point to shut up on the change business and when a man will
not furnish you good things will have as a gain is that the
trading like a star and the market will have to come to it. The
Mr J Amhurst that you and some for Mr Smith has a page here
enough of it. They will not pay well he is pleased to us in selling
with hope business to have to pay you on the average and that you
return at 3 months, Mr Amhurst does not think, want your business
to look out for some of his people may they are bound to do here

Yours

Wm Robins Esq
