Coulton Wednesday Eve June 12-81

Dear Brother

Your letter just  
read to night I wrote to Allie  
and Eric Sunday.

I am  
pleased to hear you are all  
getting along so well &  
you are doing so nicely  
hauling riffs. You spoke  
about that colt of Cassius,  
Can you trade yours and  
make a good swap I  
should like to have that  
colt but hate to pay out the  
money. Can I deliver my  
watch for you for that colt  
into Cassius or into you
