Dear Mother
 I saw Mr. Tyler
 the other day and
 he asked me if you
 had any butter to sell
 and I told him that
 I thought you had
 he said that he would
 take what you had to
 sell and pay you 22.00
 per pound if it was in
 fukins. I wished that
 for that I bet damn and
 it wished 50th 20th of with the
 fair. Do not know yet how
 much butter there is in it.

Carrie got a letter
from May a few
nights ago she was
in Bath then she had
seen Aggie at Rockland
said Aggie was well and
fat. They are coming
home Friday or Saturday.

Aunt Agnes has got
the chairs for them
They cost 12.00

I guess they are
going to surprise the
Monday night. We
will let you know so
you can come down.

Tell Father not to think
of selling any Potatoes
now for they have fell
in the market they are
only paying 150 per bu.
