Kaukaunua March 26-1883.
Dear Father

You came to
night I thought best not to
send suit until I wrote
you about them. I can
send you something that
is good & pretty for about
11.50 that is just the cost
now would you rather have
a pretty heavy suit or a light
weight for summer only.
can give you father at the
same price, I'm glad you did
not get the coat. For if
Jimmie^{2d} & I are both well
another winter will find
us out West

By the way we had a letter
from Cassie & Bertha
this morning. They start
from Texas for Montana the
middle of next month.
Tell the folks I am going
to White Snow. Love to all
Crotcher J. H.

When do you start West?
