thinks best. And besides if you want to see the little fellow this is the best market for @ selling @ horse I know of every Man is @ Horse Jockey I can sell him for you if think if you want me too. If I bought @ good new harness cheap, say for \$20 or \$25 I suppose you could get that out of it up country. Emerson that knows all about the carriage says it would be @ good trade at 700, but if not sold I can get it for one hundred. So I shall order it to day. It is in Bangor ^{which cost} just 3,50 to get it here. Now if I get carriage cant you let me have the little horse you have got until I come home. I have got @ nice little stable, will take care of it my self, and use him better than you can at home, because will drive him only @ little Wednesday nights after tea and @ little Sundays I will buy @ nice light harness for him if you have not got one and when I get through I will leave them all with you, and you can sell your buggy and harness and keep these at Trade store just as
