As part of the admissions process to the physical therapist assistant program at the University of Maine at Presque Isle, all students are required to job shadow a licensed PT or PTA providing services in a physical therapy setting. There are no knowledge or skill competency requirements as the purpose of the observation is to ensure that the student has a realistic perspective regarding the profession. The potential PTA student should however present him or herself responsibly and abide by all clinical site rules in order to submit acceptable hours. This form can be submitted directly to our administrative assistant at the address listed below by 4:30 pm May 11, 2018.
