

UMFK – NURSING CURRICULAR SAMPLE PLAN 2021-2025

STUDENT: _____

ADVISOR: _____

REQUIRED	
C+ for all NUR/HLT courses highlighted in green	C for all other courses

FRESHMAN FALL SEMESTER				FRESHMAN SPRING SEMESTER			
BIO 220	Anatomy and Physiology I*	4		BIO 221	Anatomy and Physiology II*	4	
ENG 100	English Comp. I*	3		ENG 101	English Comp. II*	3	
NUR 101	Foundations of Professional Nursing I	2		PSY 100	General Psychology*	3	
NUR 201L	Fundamentals of Nursing Lab I [^]	1		NUR 202L	Fundamentals of Nursing Lab II [^]	1	
HIST	U. S. History/Western Civilization*	3		NUR 102	Foundations of Professional Nursing II	2	
MAT XXX		3		LANG	Foreign Language (may need 6 credits total)*	3	
TOTAL CREDITS		16		TOTAL CREDITS		16	

Total credits: 32; general education credits: 15; support courses: 11; nursing: 6

SOPHOMORE FALL SEMESTER				SOPHOMORE SPRING SEMESTER			
NUR 309/L	Holistic Health Assessment	4		PSY 308	Human Development	3	
BIO 368	Genetics/Genomics	2		BIO 353	Microbiology	4	
CHY	Chemistry	4		NUR 302	Pharmacology	3	
TECH	Intro to Information Technology	3		MAT 351	Statistics*	3	
NUR 205L	Clinical Preparation Lab	2		NUR 245	Clinical Judgement and Reasoning	2	
TOTAL CREDITS		15		TOTAL CREDITS		15	

Total credits: 30; general education credits: 7; support courses: 12; nursing: 11

JUNIOR FALL SEMESTER				JUNIOR SPRING SEMESTER			
HLT 386	Nursing and Healthcare Policy	3		NUR 301	Promoting Healthy Rural Communities	3	
NUR 330	Adult Health I (acute)	5		NUR 360	Adult Health II (chronic)	5	
NUR 335	Family Health I	4.5		NUR 365	Family Health II	4.5	
BIO 401	Pathophysiology	3		ORAL	Oral Communications*	3	
TOTAL CREDITS		15.5		TOTAL CREDITS		15.5	

Total credits: 31; general education credits: 3; support courses: 3; nursing: 25

SENIOR FALL SEMESTER				SENIOR SPRING SEMESTER			
NUR 401	Health Related Research	3		NUR 380 **(NUR384)	Transcultural Care in Nursing	3	
NUR 452	Psych/Mental Health	5		NUR 497	Preceptorship	4	
NUR 425	Adult Health III (complex)	8		HLT 407	Leadership & Management	3	
				ENG	Literature	3	
				ART/MUS	Art or Music	3	
TOTAL CREDITS		16		TOTAL CREDITS		16	

****NUR 384** – Global Health & Humanitarianism may be taken in lieu of NUR 380 or as an elective

Total credits: 32; general education 6; nursing 26

TOTAL - 125 CREDITS: Gen. Ed 31; support 26; nursing 68

* Satisfies general ed. Requirement; accepted by nursing faculty 11/10/00; accepted by Academic Council 11/21/00; revisited & approved 5/22/02; updated 2006; revised 1/07; revised 8/08; 1/30/15; 1/23/17; Reviewed, revised, updated April 2019

[^]NUR212L: CNA's will take NUR 212L in lieu of NUR 201L & NUR 202L

CNA Registry Requirements

UMFK Nursing students will apply themselves to be placed on the Maine CNA Registry. Grades needed follow the same standards as required for their degree. (See below) Students obtain a certificate from the UMFK Division of Nursing after completion of the requisite courses. Application to the Maine CNA Registry is optional for students but encouraged.

Students can obtain an application form for the Maine CNA Registry at the following address:

<http://www.maine.gov/dhhs/dlrs/cna/Application-forms.html>

Clinical Requirements (Required)

Nursing students must maintain a cumulative GPA of 2.5 or better to remain in the nursing major.

Please note that prior to starting clinical courses students **must** have completed, with a grade of C (C+ for NUR and HLT courses) or better, the following courses:

Students should have all freshman and sophomore level courses successfully completed prior to beginning clinical courses.

<i>CNA and Clinical Grade Requirements</i>		Minimum Clinical Grade Needed	Minimum CNA Registry Grade Needed	My Grade
BIO 220	Anatomy and Physiology I with lab	C	C	
BIO 221	Anatomy and Physiology II with lab	C	C	
BIO 353	Microbiology with lab	C	n/a	
BIO 368	Genetics/Genomics for Healthcare Professionals	C	n/a	
CHY 100	Chemistry with lab	C	n/a	
NUR 101	Foundations of Professional Nursing I	C+	C+	
NUR 102	Foundations of Professional Nursing II	C+	C+	
NUR 201	Fundamentals of Nursing Lab I	C+	C+	
NUR 202	Fundamentals of Nursing Lab II	C+	C+	
NUR 205	Clinical Preparation Lab	C+	n/a	
NUR 245	Clinical Judgment and Reasoning	C+	n/a	
NUR 302	Pharmacology	C+	n/a	
NUR 309	Total Health Assessment with lab	C+	C+	
PSY 100	Introduction to Psychology	C	C	
PSY 308	Human Development	C	C	

Academic and Clinical Progression Policies for Traditional and Accelerated BSN Tracks

To progress in the nursing major, students are required to meet the following academic policies:

1. Attainment of a "C" grade or better in all non-nursing courses (i.e. general education and nursing support classes) including those transferred in once the student matriculates. Attainment of a "C+" or better grade in all nursing core (NUR/HLT) classes.
2. Any general education or prerequisite course can be repeated, but only once, to achieve the necessary "C" grade or minimum 2.5 GPA;
3. Course failures in any two BIO/NUR/HLT courses or a second course failure in the same BIO/NUR/HLT course results in program dismissal. Course failure is defined as less than a C in any BIO course, including those transferred in once a student matriculates; less than a C+ in any NUR/HLT course; or a second failure in the same BIO/NUR/HLT course.
4. Students who withdraw from a BIO/NUR/HLT course must enroll in the course the next time it is offered. Withdrawal from the same course twice counts as a course failure. Students experiencing extenuating circumstances may be considered for an approved course withdrawal, which does not count against them, by writing an appeal to the Admissions, Advisement, and Advancement (AAA) Committee as long as the appeal is made at the time of the occurrence and if the student is passing the course. Course withdrawal is not granted retroactively after the final course grade is recorded.
5. Students must successfully complete the didactic, laboratory, and clinical components of a course to meet the requirements for the course. If students are unsuccessful in any of the course components, they must repeat the course in its entirety (class, lab, and/or clinical);
6. If students are required to enroll in the capstone, the preceptorship start date is delayed by five weeks.
7. Maintenance of a cumulative 2.5 grade point average in all coursework completed at UMFK.
8. Provide evidence of a health history, physical examination, and immunization history acceptable for institutions in which clinical experiences occur, include: annual flu shots, Hepatitis B, MMR, PPD, and Varicella. Students are required to register with Certified Background and submit immunization, criminal background history, and CPR status for tracking purposes; Students must have health insurance to enroll in clinical nursing courses; Liability insurance is required for students enrolled in Internship, Externship, and Preceptorship experiences;
9. Traditional students must declare Nursing as a major upon enrollment in NUR courses. Accelerated students must declare nursing as a major upon enrollment in NUR/HLT courses. Once matriculated into the nursing major, students must complete NUR/HLT courses through UMFK. Business majors must declare a concentration in Healthcare Administration to enroll in nursing (NUR/HLT) courses at level 300 or above or by instructor permission
10. Upon starting clinical courses, students must be enrolled in a clinical course each semester. If a semester does not include a clinical course, students are required to register for NUR 395. Students who have completed NUR 395, and have another semester without a clinical course must complete NUR 390. If a student has a third semester without a clinical course, and NUR 395 and 390 were completed, then they must take NUR 397.
