Upon graduation from the University of Maine at Presque Isle, all graduates receive a snowy owl lapel pin. Depicting a snowy owl with its wings outstretched, this pin is a symbol of the amazing things that you will accomplish in the world when you leave the University. Visit [www.umpi.edu/yourwings](http://www.umpi.edu/yourwings) to learn more about this program and see the many places alums have gone with help from the wings they earned here at the University.
