FAST FORWARD to the ALL NEW 2018 Camp Invention program, where children are presented with fun, hands-on activities that encourage creative problem solving, teamwork, entrepreneurship and curiosity.

Camp Invention is a program of the National Inventors Hall of Fame®, a nonprofit organization dedicated to advancing the future of innovation and STEM. Program activities are led by experienced, local educators and inspired by the world-changing inventors that have been Inducted into the Hall of Fame.

Explore the technology behind self-driving cars and invent a vehicle of the future.

Design futuristic dream homes with smart furniture and smart energy.

Build and personalize a robotic dog and compare the inner mechanics to the biology of living animals.

EVERY CHILD TAKES HOME TWO CUSTOM ROBOTS!
