When the basis for denial is receipt of an earlier request for the same location and time, the Coordinator of
Safety and Security will inform the individual or organization whose request is denied of other dates, times and locations that are available for reservation. Appeals of a denial are made to the Dean of Students.

b. The location does not safely accommodate the number of participants;
c. The number of individuals participating in or attending the activity creates unsafe conditions for vehicular or pedestrian traffic, parking, or blocks the ingress or egress to buildings or official university activities;
d. The activity creates a health or safety hazard, such as interfering with fire, police or emergency services.

Appeals due to relocation of expressive activities may be made to the Dean of Students.

Members of the University community may be held individually responsible and sponsoring organizations may be held collectively accountable for any violations of this policy and other University policies, including the Code of Student Conduct and personnel policies, as applicable.

Sponsored guests who do not comply with this or other applicable University policies automatically forfeit their permit and must immediately vacate University property.

8. Unaffiliated Groups and Individuals
Individuals and groups that are not affiliated with the University may distribute literature on campus grounds without a permit and may reserve and use certain Designated Areas of University property for any lawful purpose on a space available basis through the reservation and/or permitting process for that area. All restrictions placed upon students, faculty, employees, university groups or sponsoring organizations apply to unaffiliated groups or individuals. Priority is given to University affiliated groups.

9. Security Presence
When available, security staff will be on the scene to watch for compliance.
