

Young Professionals Institute 2022

founded
by

University of Maine at
PRESQUE ISLE
North of Ordinary

Also supported by Cary Medical Center,
Katahdin Trust Company, and Northern Light A.R.Gould Hospital

The theme for 2022 is **THE LEADERSHIP BUCKET LIST.**

Our focus will be on setting and achieving leadership goals, from skill development to continuous improvement to work-life balance. Topics will include leadership communication, teambuilding, conflict resolution, critical thinking, and self-care (all with a bucket-themed twist).

Wednesdays, 4-5:30 pm

April 6, 13, 20, 27

May 4, 11, 18, 25

All sessions delivered via Zoom.

The finale will be in-person, if possible.

Participants are expected to attend all sessions.

• • •
**FMI or to submit your online application, please visit
www.umpi.edu/yipi**

The application deadline is Monday, March 21.
Selections will be announced Tuesday, March 22.

A \$250 registration fee, paid by you or your business sponsor, is due by Friday, March 25.

• • • Looking for the skills that will bring you long-term success in your career?

Then this professional development opportunity is exactly what you've been looking for.

The **Young Professionals Institute** will take you through several hands-on, business simulation exercises to teach you the skills you need to excel in your workplace and reach your professional goals. These skills—**team work, communication, decision-making, problem-solving and adaptability**—are among the top skills employers today are looking for in prospective employees as well as candidates for advancement.

You will:

- ✓ Hone leadership skills needed in the modern workplace
- ✓ Learn to be proactive and resilient in today's constantly changing business environment
- ✓ Explore emerging workforce trends
- ✓ Build professional relationships through several networking opportunities
