

Dear Student,

The University of Maine at Presque Isle has been allocated \$305,499 in funding through the federal CARES Act. The Act requires that these dollars go directly to students to cover emergency expenses arising from the disruption in campus operations. UMPI will begin distributing CARES Act funds to eligible students starting the week of May 4.

According to our records, you may be eligible for federal Title IV funds. In order to receive a payment of these emergency funds, you will be required to complete a CARES Act Self-Certification form. Please navigate to your To Do List on your MaineStreet Student Center and complete the CARES Act Self-Certification as soon as possible to verify your eligibility.

Since you are enrolled in credits for the spring 2020 semester, you will receive a direct payment of these emergency funds based on your current enrollment. Distribution of payments to students will be grouped by the following tiers:

	Current Credits for Spring 2020	Dollar amount of Payment
Tier 1	12-plus credit hours	\$500
Tier 2	6- 11.99 credit hours	\$250
Tier 3	01– 5.99 credit hours	\$100

Once the CARES Act Self-Certification is completed, eligible students will receive direct payments through their MaineStreet Student Account. If you have already enrolled in direct deposit through Student Financial Services, your payment will automatically be deposited into your bank account. If you have not already done so, we encourage you to enroll in direct deposit. Please visit <https://www.umpi.edu/offices/student-financial-services/student-accounts/direct-deposit/> for instructions on how to enroll.

If you are not able to enroll in direct deposit, a paper check will be mailed to the billing address listed on your MaineStreet account.
